

## Little, Little, Big

Set up an area about 20 yards long with cones. The kids start on one side of the field. As they dribble to the other side, they should dribble with two small touches and one big touch, little kick, little kick, big kick. As they go, they should yell, “Little, little, big” to match their kicks. Encourage them to yell loud. This keeps them really moving along and working on the different kinds of kicks they’ll utilize in a game.
